Ashwini V

Bengaluru, Karnataka | Mobile: +91-8105059342 | Email: ashwiniv23is@rnsit.ac.in

Career Objective

Information Science & Engineering undergraduate focused on software development and problem-solving, with hands-on experience building full-stack applications. Skilled in developing efficient, reliable, and database-driven solutions using modern technologies. Passionate about transforming real-world challenges into scalable software solutions.

Education

Bachelor of Engineering (Information Science and Engineering) 2023–2027
RNS Institute of Technology, Bengaluru
CGPA: 8.71/10

Pre-University Education (12th) 2023
St. Joseph's PU College of Excellence, Bhadravati
Percentage: 90.16%

SSLC (10th) 2021
AVS School, Bhadravati
Percentage: 84.96%

Technical Skills

- **Programming Languages:** Java, Python, C
- **Core Concepts:** Data Structures and Algorithms, Object-Oriented Programming, DBMS
- **Database:** MySQL
- **Tools:** Git, Visual Studio Code (VS Code)

Projects

Last-Mile Parcel Drop Box & OTP Verification Engine

Built a full-stack delivery verification platform (React, Node.js/Express, PostgreSQL) with a status state machine enforced by backend validation. Implemented secure, time-bound OTP generation and verification with attempt limits, plus an audit log tracking every status change and verification attempt. Built agent and admin dashboards for delivery confirmation and real-time parcel tracking.

Key Skills: React, Node.js, Express, PostgreSQL, REST APIs, Machine Design

AI-Based Interview Preparation & Feedback System

Built an AI-driven interview preparation platform that generates personalized interview questions based on a candidate's skills, interests, and target role. Implemented NLP-based response evaluation to analyze candidate answers and generate automated, personalized feedback, and a recommendation module to identify skill gaps and suggest targeted practice questions.

Key Skills: Python, Machine Learning, Natural Language Processing, Problem Solving, API Integration

Certifications

- Fundamentals of Artificial Intelligence **Provider: NPTEL**
- Cloud Computing **Provider: NPTEL**
